

My name is Leah, and I am working on a project to understand how families work together to take pictures and make videos for social media. I am wondering if you want to be part of the project. If you want to be part of it, I'll ask you questions about pictures you look at and videos you watch on social media, or how you help to make pictures and videos for social media. There are no right or wrong answers to my questions, and you can always take a break, tell me you don't want to answer some of the questions, or stop being part of the project. I will not be sad or mad. You can say yes or no to being part of the project, and you can ask me or your parents questions before you say yes or no.
